

Did You Know...

In this day and time there is a spot left with no lines, no crowds, and only

stillness to listen to?

Set in the sierra high country, Balch Park is surrounded by towering mountains, vast meadows, and unspoiled crater lakes. The wilderness around Balch Park has it all, from the abundant wildlife, to a night sky with millions of stars to view.

So leave the people behind and explore some of the most remote and unspoiled back country in the world.

A vacation in the Balch Park area is an unforgettable experience and the

adventure of a lifetime.
